

M.A.C.S. Fine Arts Festival

The MACS Fine Arts Festivals have been organized to provide a challenge toward excellence in Bible, academic fields, and the fine arts among the students of our fundamental Christian schools across the state. This competition will allow Christian young people to develop disciplined skills in various competitive areas so that they might better serve the Lord throughout their lives. It will also motivate their achievement of greater skill in the use of God's Word, provide a forum for measuring their accomplishments against defined standards of competition, and give an opportunity for fellowship with other Christian young people. Our goal for the competition is to glorify Christ by exercising our young people's God-given talents.
