VALUES

PURPOSE

The purpose of the Music Program of Calvary Baptist Academy is to provide classically-based music education from a Christian perspective for students of all ages.

PHILOSOPHY

We believe that music is a gift from God. Our goal is to equip students to develop technique and artistry in their discipline for God's ultimate glory. This is accomplished through interaction with instructors who are prepared to equip the student and assist them in responsibly stewarding their God-given talents and abilities.

PROGRAM

Opportunities for musical growth include weekly private or group lessons from qualified instructors, recitals and other performance opportunities. We purpose to provide engaging instruction that results in the ability to communicate effectively, regular practice of assigned lesson material is expected of all students.

WHAT WE OFFER

A VARIETY OF LESSONS

Calvary Baptist Academy offers private instruction in each of the following disciplines:

- Piano
- Woodwinds
- Strings
- Brass
- Voice (9th grade and above)

Instructor assignment is made by the Music Director and is based upon instructor availability and ability to meet the student's needs as well as a student's prior experience and demonstrated aptitude.

FLEXIBLE SCHEDULING

Private lessons are available during the standard school year (September through May). Families may sign up for just a semester or the entire year. A lesson schedule is posted online. Summer lessons are available by contacting the individual instructors.

AFFORDABLE TUITION

Tuition for private lessons ranges from \$60-75 per month (based on the length of the lesson), billed on a 4 month-per-semester schedule or 8 months for the entire year.

PERFORMANCE OPPORTUNITIES

CBA private students will be encouraged to perform throughout the year. Performance opportunities include the annual MACS Fine Arts contests, chapel specials, concerts, Keyboard-Fest, and ministry opportunities. In addition, all students are given the opportunity to participate in our annual student recitals held in May.
